### **Ziebold Imagery — Short Company Overview:**

Ziebold Imagery is a small creative agency; providing services to clients meeting their needs for creative team direction, graphic design, fine art, image consistency, strategic marketing and communications, and win-win partnership services collaboration agreements.

The creative owner, Sandra Ziebold, is a client focused creative marketing services leader with 15+years of experience in communications and marketing, creative direction, design, business operations, fine art and photography. 12+years of experience directing and motivating teams. Experience in both the not-for-profit and for-profit sectors.
